

***Match v Worcestershire at Churchill & Blakedown Golf Club
15th May 2018***

It was the first time for most of us at the scenic and challenging Churchill and Blakedown Golf Club for our opening match of the 2018 campaign.

The weather was splendid, so too the hospitality from both the Worcestershire team and the Club who served an excellent meal.

Unfortunately, Worcestershire were determined to avenge last year's result at Robin Hood and after the respective Captains had entertained us with witty speeches, a rather reluctant JJ Pritchard handed over the Reg Patrick Trophy, as we trailed by 6 matches to 2.

We host Northamptonshire next week, for our first home game.
