

## **Match v Devonshire at Downes Crediton Golf Club 1<sup>st</sup> June 2017**

Warwickshire only managed to send 13 players down to play the Devon Past Captains owing to the late withdrawal through illness of Vice Captain JJ Pritchard, who was very much missed and both teams sent their best wishes to him.

Captain Mike Gregory had diligently organized a mixed foursomes tour built around the match and all those who participated thoroughly enjoyed themselves.

Downs Crediton Golf Club was the delightfully scenic and challenging venue played under a very hot sun. Perhaps husbands' minds were on their credit card which were being given an outing by their wives back at base camp but only Captain Mike (+Rod Williams) and David Hadley Smith+ Mike Edwards managed to win, as Warwickshire went down 4½ to 2½. ( or in my case bad play.)

Sincere thanks to Mrs Glen Fletcher who stood in for JJ to make the sides even. As always Devon were excellent hosts and we look forward to their visit to the Midlands next year.
