

Warwickshire vs Oxfordshire at Kirtlington Golf Club

On a bright sunny day the Warwickshire team arrived at Kirtlington Golf Club to play Oxfordshire for the salver presented by Ian Phipps on the day. After a lovely sandwich lunch the pairings were announced with 4 matches off the 1st tee & 4 off the 2nd. A treat to start from 2 tees! The course was in lovely condition. The undulating, but true, greens proved a challenge which the Oxfordshire players managed better than us. Only Jez Williams & Jim McCarthy saved the whitewash by grinding to a half in the last match to come in. After a good dinner with excellent service unfortunately our Captain had to present the salver to Oxfordshire. Another match gone & we have yet to record a win this season!
