

Match v Oxfordshire at Stratford on Avon Golf Club 12th July 2018

Another sunny day at Stratford for our match against Oxfordshire.

The golf course was in fine condition despite the lack of rain, almost every group had tales to tell of many holed putts, either for or against them, as we all gathered on the terrace for pre- dinner drinks.

Thereafter we sat down to dinner, which was like everything else that Stratford Upon Avon Golf Club did for us, first class and eagerly enjoyed by 40 hungry golfers. In the absence of Captain JJ, IPP John Butler led the team and paid tribute to Stratford's hospitality and the friendship that we enjoy with Oxfordshire, it really was a most convivial and enjoyable occasion.

JB's troops did him proud as Warwickshire won 6½ to 3½.
