

Match v Derbyshire at Nuneaton Golf Club 1st August

The rearranged match v Derbyshire took place on the 1 August at Nuneaton Golf Club, Past Captain Roy welcomed us and the rain that threatened for most of the day didn't really arrive until we were all safely ensconced in the club house.

The golf course was in fine order, firm, fast, but true greens made it a challenging round.

The Captain of Derbyshire Past Captains paid rich tribute to the quality of the course and the excellence of the catering which we all enjoyed. He also announced that the 4½ to 3½ victory for Warwickshire was their first defeat of the season, Captain Pielow purred with satisfaction.

Rearranged fixtures are never easy to organize in the midst of a busy season and my special thanks go to Nuneaton and Warwickshire Past captain Mick Wood whose help was invaluable.

John Loynton
