

## **Warwickshire vs Northamptonshire at Handsworth Golf Club**

It was another beautiful day for golf and the Warwickshire team were in high hopes of reversing the course of their matches over the last few years when Northamptonshire had gone home with the trophy.

The course was in excellent shape as the games teed off – wary of the water on the right and the bunkers ahead of them. The 18 holes were a stern test of the players golfing capabilities as they worked their way around the course and it was the visitors who proved to be more up to the test than the Warwickshire lads.

After a sumptuous meal of lasagne followed by sticky toffee pudding the speeches were made, the toasts were offered and finally the results were announced. Sadly for Warwickshire the result was a 7-1 victory for Northamptonshire.

Captain Keith Guild presented the trophy to Northamptonshire President David Hill
