

Spring Meeting at Maxstoke Park Golf Club 11th May 2017

The start of the season's events was the Spring Shotgun Pairs competition at Maxstoke GC.

The weather was just about perfect for enjoyable golf and the Maxstoke course always presents challenges with ditches, lakes, and magnificent trees ready to catch out any way-wood shots.

The staff of Maxstoke were busy with lunch and evening meals and made sure everyone finished their day with excellent food and service. Well done!

Results:-

In 3rd place – our Captain Mike with his partner, David Halter

In 2nd place from the home club – Tony Featherstone (WGC Council) and Dr Rehmany, Maxstoke GC

And the winners on a count back – Martin Bayley & John Daly, Leamington GC

Historian and very fine Sutton Coldfield golfer, Bob Fletcher, very nearly holed out on the 16th green to take the NTP prize. Pictured below with our Captain and a relieved WGC Secretary, David Williamson who rightly sang the praises of Maxstoke Club and Staff for enabling such a superb day of golf, on and off the course.
