

Dear Fellow Captains

Following in the footsteps of Jez Williams, Ron Saywell and all our former Captains, it is a great honor and privilege to become the Captain of the Warwickshire Past Captains for the 2025/26 season.

Our season kicks off with the Spring meeting at the home of our next captain Barry Hallam at Coventry golf club on the 30th April 2026.

We then have eleven inter county matches arranged by our fixture secretary and incoming President Tony Ranger. Information and details can be found on our web site at

www.warwickshirecaptains.golf

Tony puts in a tremendous amount of work arranging these matches with a meal and golf at £40. I think this represents great value at great courses. Please encourage fellow members to apply to play to give Tony a selection headache.

The season and my tenure will end with an Autumn meeting at Nuneaton, date and details to follow.

I would like to thank all our officers and council members for their hard work in making Warwickshire past captains happen, but I think we can all agree that the future lies in encouraging new members to join, so could we all try to make sure our new club captains are aware of our exclusive group.

Thank you all for your continued support.

George Whitehead
