

Match v Northamptonshire at Whittlebury Park Golf Club 28th May 2015

The first away match of the season took us to the sumptuous golf complex at Whittlebury Golf and Country Club. A 5 star Club House, and a very challenging golf course, made even more tricky by a capricious wind was thoroughly enjoyed by all.

The ball loss statistic was higher than usual, well certainly in match 6 (first of the blue) on the Warwickshire side! Another interesting statistic, (offered by a reliable source) is that one of our prominent Scottish members has only lost 6 balls in 20 years, 4 of which now rest on the Whittlebury links!

However, Jim and Nigel, President John and IPC David, Graham and Ivor and Ian and Mike all won + David and Ron who halved, but Northamptonshire just scraped through 5 ½ to 4 ½ to retain the Trophy.

All that said, the first class meal at the end of the day revived our spirits, to reflect on a really great day out.
