

Match v Bedfordshire at Bedfordshire Golf Club 24th July 2013

Another glorious day of sunshine made our match against Bedfordshire played at the Bedfordshire Golf Club really enjoyable.

It is a delightful club, with scenic beauty and the truest of greens.

We were warmly greeted by the Club Captain, whilst enjoying a hearty lunch.

Many battles were fought out on the course but in the best of spirit and joviality.

Bedfordshire just nicked it 5 1/2 to 4 1/2.

However, those of us who chose the M1 were held up on the way home, deja vu of Northants! in May.
