

Warwickshire vs Bedfordshire at Leighton Buzzard Golf Club on 20th July 2017

After the rains of Magnolia Park, the sun shone once again on the Warwickshire team as we were entertained by Bedfordshire at the attractive and interesting course that is Leighton Buzzard Golf Club.

Captain of the club Adrian welcomed us and after a good lunch we took on the challenge of Bedfordshire. After a run of defeats the Warwickshire Past Captains got to work led from the front by President John Butler, inspired by JJ, and recorded our first away win of the season in fine style, 7 -3.

Leighton Buzzard is a really delightful club to visit and after a splendid dinner we set off for home, ready to do battle with Buckinghamshire next Wednesday.
