

Match v Oxfordshire at Magnolia Park Golf Club 11th July 2017

The weather certainly turned nasty for our trip to Magnolia Park to play Oxfordshire, heavy rain spoiled what is always a friendly and enjoyable fixture, our 28th meeting.

Warwickshire Past Captains battled bravely and only went down by the odd point: 4½ to 5½.

The Club House was the most welcome site as the torrential rain continued, we hope for better weather in Bedfordshire next week.
