

Match v Worcestershire at Edgbaston Golf Club 23rd May 2013

Our opening match of the 2013 season was at Edgbaston Golf Club against local rivals Worcestershire.

This year a trophy was presented by the Worcestershire IPP Reg Patrick who started proceedings with a witty and enthusiastic speech. This set the tone for the whole day as the golfers set off to do battle on a day of four seasons-dark clouds, sunshine, hail, warm/cold.

Worcester were well on top but the Warwick tail wagged and the result (almost inevitably) finished 4-4, so no trophy could be claimed.

Edgbaston was a quite brilliant venue in every respect, a fine golf course, excellent cuisine and friendly efficient staff, a terrific start to the season.
