

Match v Derbyshire at Mickleover Golf Club 1st August 2017

The good weather continued as Warwickshire Past Captains visited the delightful Mickleover Golf Club to play Derbyshire.

Mickleover has real charm, and a challenging well presented golf course was thoroughly enjoyed by us all.

Club Captain, David Jones greeted us warmly, President Spen started us off and the half-way house was most welcome on such a hot day.

However, as the day wore on Derbyshire got into gear and recorded a resounding victory 6-2. But Rick Waddington won the half way house biscuit eating competition by some considerable margin!!
