

Match v Devonshire at Sidmouth Golf Club 6th June 2013

At last some glorious weather for the intrepid band of 14 who arrived to play Devon Past Captains at the scenic and challenging Sidmouth Golf Club.

The shortage of players was solved by borrowing two gentlemen from the opposition ranks who partnered Gordon Williamson and Nigel Metcalfe to gain creditable halves, on a day that produced four drawn games.

This wasn't quite enough, and Warwickshire went down 5-3. However the warmth of the welcome, the excellence of the food, Captain Robert Kemp's virtuoso speech and the sheer beauty of the Jurassic coastline made it a memorable day.
