

Captain's Team v President's Team

The two teams arrived at Harborne Golf Club to play for the 'Bear Trophy' on a sunny warm day but within a short time the weather changed from being sunny to heavy rain and back to being sunny again.

Fortunately, the day remained sunny and warm for the competition which had been the idea of Graham Pielow whilst he was WGC Captain and who also donated the trophy.

After a light lunch of soup and sandwiches the respective Captains, David Williamson and Rick Waddington announced their pairings for the competition.

The Captain's team included three members of the WSG Council and nine members of the Harborne Club whilst the Presidents team included Council members and past Captains of WGC plus four members of Sutton Coldfield, the Presidents home club.

There were a few close matches taken to the 'wire' in the competition but all of the matches were played in a friendly manner.??

After a splendid 'late Summer Buffet' followed by Apple Crumble with coffee and mints both Captain's said a few words after which the 'Bear Trophy' was presented to the Captains team having won the overall match by 3 ½ to 2 ½
