

Match v Leicestershire at Market Harborough Golf Club. 18th August 2016

The sun shone on our final county match of the season against Leicestershire at the delightful Market Harborough Golf Club which presented some challenging holes with fantastic views.

Leicestershire, marshalled by the evergreen Murdo, always offer fine hospitality and competitive opposition, but after a satisfying dinner Captain Pielow proudly announced that Warwickshire had triumphed 6½ to 3½ and could return home with another trophy to add to this year's collection.

A fine finale to the 2016 campaign.
