

Match v Devonshire at Coventry Golf Club 1st June 2016

On the first day of flaming June Warwickshire Past Captains entertained Devon Past Captains on the final leg of their Midlands tour at Coventry Golf Club.

They were certainly battle hardened as every match was keenly contested, but, as always played in the best of spirit.

Coventry Golf Club was superb, the quality of the course quite magnificent and the hospitality in the club house made it a perfect day.

President John Butler provided an interesting piece of history: this was the 30th match between our two counties, the first one being played at Coventry G.C. under the auspices of Tony Uren.

After an amusing address by the Devon Captain, Mike Badcock, he gracefully announced that Warwickshire had triumphed by 4½ to 3½, and he also hoped that the fixture would continue for many years to come. Universal approval greeted that closing remark.

John Loynton
Match Secretary
