

**Match v Bedfordshire at *Bedford & County Golf Club*
21st July 2015**

Warm sunny weather accompanied by a blustery wind ensured our match at Bedford & County Golf Club was both challenging and enjoyable.

This is a lovely club situated in the rolling hills of north Bedfordshire with over 100 years of history.

After a very hearty lunch the battles commenced on the course with a slight delay at the Captain's halfway house for each match to partake of a delicious soft ice cream cornet, including a chocolate flake – a wonderful surprise on a hot day.

A fine evening meal followed before the Captains thanked the greens and catering staff for their excellent work and then announced a halved match of 5 games all
