

Match v Buckinghamshire at Lambourne Golf Club

28TH July 2016

Brian Rogers , Captain of Buckinghamshire Captains, extended a warm welcome to Warks. Captains on their arrival at Lambourne Golf club on Thursday 28th July.

This reception took place in a fabulous club house which was a cross between a Georgian mansion and a French chateau , with a very traditional oak panelled interior.

The golf course opened in the early 90's and matured beautifully with very lush fairways and receptive greens, the latter being very difficult to read and a little slower to what we are used to.

Lunch was excellent as was dinner and appreciated by all Warks. Captains.

Graham Pielow was in good form prior to announcing the results. He then went into great detail of how as a young junior executive at the wheel of his new Ford Corsair became a great hit with the local talent in Burnham. The rest of the story has been censored.

Oh yes , the result, Warwickshire Captains five and a half, Buckinghamshire two and a half.

Robert Kemp.
