

Match v Oxfordshire at Handsworth Golf Club 14th July 2016

A glorious summer day greeted us as we entertained Oxfordshire at Handsworth. Captain David joined us for the day as Handsworth Golf Club made us extremely welcome. The Oxfordshire team were very impressed with the quality, presentation and challenge of the golf course, indeed the fairways were absolutely superb and the greens perfectly true. Both the bar and catering staff served us royally and both teams went home reflecting on a really good day, Oxfordshire perhaps the happier as they were the winners by 6 1/2 to 3 1/2. A sincere thank you to General Manager Sid Trench and his team for their friendly and professional service.
