

Match v Gloucestershire at Copt Heath Golf Club 19th June 2017

The sun continued to shine as it has done on all our matches so far, and Copt Heath Golf Club was the perfect venue in every way.

The course was in magnificent condition and on a very busy day for the Club we were given exemplary hospitality throughout.

The Captain of Copt Heath, Brian Barton joined us for dinner so both teams were able to offer him sincere thanks for the most perfect of days.

Unfortunately a strong and determined Gloucestershire team beat Warwickshire Past Captains 6 ½ to 1 ½, but the sportsmanship and friendship of these matches transcends results, and the great day we had at Copt Heath was no exception.
