

Match v Derbyshire at Erewash Golf Club 3rd July 2013

The fifth match of the 2013 campaign took Warwickshire Past Captains to Erewash Valley, to play Derbyshire.

It was soon revealed that this was a real gem of a golf course, superbly presented.

The unique nature of several holes, plus excellent hospitality and cuisine in the Club House made it a memorable day; especially as we recorded our first win of the season 5½ to 4½.

The late starters delivered, and victory was secured.
