

Match v Devonshire at Coventry Golf Club 5th June 2014

Arriving at Coventry in brilliant sunshine we were optimistic of a lovely day and were not disappointed.

The Devonshire team, having played Oxfordshire in the rain the previous day were already there enjoying Coventry GC's bar.

Coventry GC Captain Barry Hallam welcomed everyone and after a lunch of onion soup and very chunky rolls team pairings were announced with the matches commencing at 1pm.

The course played extremely well and worries about the previous days rain proved to be unfounded with Coventry's greens certainly living up to their excellent reputation.

Most matches were closely fought with Warwickshire winning by 7 to 1.

Both Captains expressed thanks to the club for the excellent course and hospitality.

We look forward to another competitive match next year.

Roger Mann
WGC President
